Parties passed through town yesterday following him with 68 head of mutes, which will be used on the job. Mr. Kasserman insun rintendent of timber jobs this section for five years Undoubtedly much activity in this community will result when more oil territory is developed and the coal leases are taken up and all of the timber companies get busy. The coal leases in Wolfe and Morgan counties are numerrous and there is no doubt but an excellent quality will be found. The oil companies are coming in this direction from Still-One firm has leased Owen Coldiron's farm, on Laurel, and will say to the husband and her three sink a well immediately.

Her disease was tuberculouis She was in had health for three months but death was not expected so soon. She lived a devoted chris ald in everything which was for the upholding of a religious plan. The writer has often heard her pray is public. She died in a full faith of a living triumph after death. James has lost his devoted wife Jocie Olvia Richard a loving mother yet heaven has gained a shining mark. We miss sadly yet our loss is her eter nal gain. God in tender love and free. This mortal life is but a span compared with imortality when through the dark valley we are all called to pass. God has promised to be with us if we are faithful to the last. Her soul took its flight and has gone to that beautiful dry where love ones was waiting to great her around God's throne and there plenty of room for us all and a crown that we may wear. Will say to the husband and her three children live as Nora did and you will meet her again. Burial services
